High Peak Challenges

3 Watermedows

Edale, Hope Valley S33 7ZQ

High Peak Challenges (HPC) is based in Edale, a valley in the High Peak area of the Peak District National Park.

HPC offers your company smart off-site packages for small corporate groups. We deliver a new concept in high quality corporate away days providing exclusive accommodation/ meeting facilities and adventure activities.

Based in Edale, in the High Peak area of the Peak District we are central and accessible to all. We actively promote environmental awareness.

↘ The Company

Andy and Pete, the two HPC directors are passionate about outdoor activities and the unspoilt, rugged beauty of the Peak District; they offer extensive knowledge and experience in mountain skills, activity instruction and group leadership.

HPC has an impressive network of guides, instructors and experts to implement their activity pursuits. We actively support the use of local business in the provision of our packages.

↘ Accommodation & meeting facilities

HPC is proud to host client events at specially selected, exclusive independent hotels. All venues offer full hotel facilities and meeting rooms with easy access for activities.

Baslow Hall: a splendid 17th century styled manor house with grand oak wood interiors, comfortable furnishings and beautiful gardens. The restaurant boasts a Michelin star and has an outstanding reputation.

Lose Hill House Hotel: a large country house set within the High Peak area of the Peak District National Park; a hidden gem with outstanding views over the surrounding countryside. This hotel sports a wet area with swimming pool, sauna and outdoor hot tub, perfect for delegates wishing to unwind in the evening.

Hassop Hall: an impressive building dating back to the 11th century with links to Richard II. The interiors of stone and oak have a regal yet comfortable feel; set in beautiful gardens and rolling parkland this hotel is perfect for business and relaxation.

👉 Packages

Choose from single day, 1, or 2 night stays. To satisfy your meeting, business and delegate requirements, all our packages are flexible and activities interchangeable.
